

## Our future site

We are moving to a new and exciting site in September 2021. The new building will be light and airy, providing a calming environment for both staff and pupils, allowing the students and their work to take centre stage.

Vaulted ceilings and wooden floors will create a natural feel that fits in perfectly with the indoor/outdoor ethos of our school, complimented further by a brand-new, on-site, forest school.

The new school will also benefit from a large playing field and an on-site sports hall as well as an onsite catering kitchen, pupil design and technology room and several large communal spaces.

The site location is a two minute walk from our current site on Platinum Way, St Mary's Platt.

## Platt Church of England Primary School

*'Creating articulate and confident pupils who will have the skills and knowledge to protect our amazing world for future generations.'*

Learning together, Forgiving one another and Caring for all

# Welcome to our school

Dear Parents/Carers,

I am honoured to introduce our wonderful school to you. I joined the school in January 2020 as the headteacher and fell in love with the ethos and extended family that this school provides to all.

**We have an agreed school mission that is :**

'Platt C of E Primary is a special place that prides itself on the core Christian values of care, learn and forgive. Children are happy, safe and valued.

Each child should be able to 'Live life in its fullness' (John 10:10). Children are provided with an inclusive Christian education that nurtures individual talents and provides enjoyable and memorable learning opportunities, to become the best they can be both academically and socially. Our children are articulate and confident to challenge and protect the amazing world God created for them and future generations.'

We believe that teaching all children and providing life opportunities to all, regardless of their needs and background is our core purpose. Our nurturing team and pupils work tirelessly together to help each other do this and all children are encouraged to contribute fully to the school in order to succeed. We know our families and enjoy inviting in our community regularly.

Should you wish to view our school then please contact the school office where we can arrange an appointment or a virtual tour, [office@platt.kent.sch.uk](mailto:office@platt.kent.sch.uk).

Warmest regards and I hope to meet you soon,  
Jenna Crittenden  
Headteacher

## Curriculum offer

We provide an exciting and challenging curriculum throughout our school and we regularly review our offering to ensure that we reflect the current needs of our pupils and the world in which we live. Our curriculum is focussed on high quality books and world topics, empowering our pupils to challenge, and become informed to protect our world for the future.

Please take a look around our website for up to date details of all our subject areas and the gallery which demonstrates our pupil enjoyment and engagement. [www.platt.kent.sch.uk](http://www.platt.kent.sch.uk)

We believe in the importance of outdoor learning and are working together to become a 'Muddy Puddle' accredited school. This means that lessons will be taken outdoors across the curriculum and we will provide the children with as many outdoor opportunities as possible.

Sports are promoted for all children and all abilities. We provide the opportunity for team sports and competitions, as well as individual sports such as swimming and karate.

Music plays a key role across our school. We promote musicality in all of our students through weekly lessons and singing, and ensure that every child has an opportunity to learn an instrument.

Learning together, Forgiving one another and Caring for all
